Subject: Chat with BushwickBK.com
From: "BushwickBK.com" <jeremy.sapienza@gmail.com>
To: barriticus@gmail.com

BushwickBK.com: aaron barr's twitter photo looks like his tooth has a hitler moustache
me: also he's a douchebag whose middle name is Please Rape My Face
BushwickBK.com: haha
me: bombs about tto drop
me: few minutes now
me: Two AWACS were just sent Reducing elevation
BushwickBK.com: probably
me: no, it's happening now
me: I have a source
me: you'll see
me: any second now
BushwickBK.com: France said attacks could start immediately
me: it's coming from Italy
me: was already planned
BushwickBK.com: he's fucking up oil supply
BushwickBK.com: better take him out to get status quo back
me: that's not exactly it
me: there are plenty of interests that are happy to see oil interrupted from there
BushwickBK.com: nothing is exactly it
BushwickBK.com: they'll drop some bombs and not much constructive wll happen
me: oh, snap
me: no
me: they might be sending in troops
BushwickBK.com: who Italy??
me: nope
me: there have been US boots on the ground there for a while now
BushwickBK.com: who the fuck is yur source for this
me: it's someone good enough that I can't tell you
BushwickBK.com: I mean, I don't doubt US has troops every fucking where
me: I don't use his name
me: and he's new
me: to me
BushwickBK.com: well, that will be a fucking disaster
me: UN?
me: sometimes it is
me: sometimes it isn't
BushwickBK.com: you said US

me: I said US is in already
me: and has been
BushwickBK.com: sometimes it's a disaster, soemtimes it's an exercise in pointlessness and hwo to waste money and livs
BushwickBK.com: UN is all over Africa, how's that shit turning out
BushwickBK.com: and the US is like a big dumb fucking giant that tries to pick up a fly by its wing but ends up hitting it with a sledgehammer
BushwickBK.com: whatever, hasten the end of the empire, fine with me
BushwickBK.com: too bad like 20 times more libyans will die for it
me: 200,000?
BushwickBK.com: random increment
BushwickBK.com: Gadhafi will go absolutely psycho on the rebels
BushwickBK.com: and non-rebels
BushwickBK.com: and anyone he thinks is The Empire
BushwickBK.com: or the jooz
BushwickBK.com: or whatever he is fevering on that day
me: Japan's about to blow
BushwickBK.com: yeah
BushwickBK.com: nuke power is gonn take a bit hit from this
me: it's a shame
BushwickBK.com: big hit
me: the thing was just improperly run
me: and old
BushwickBK.com: I am surprised the japs allowed it to get to that state
me: it's uncharacteristic but Barry Eisler wrote about that a while back
me: the mismanagement of the nuke plants
me: he spends a lot of time there
BushwickBK.com: I also expected there'd be a quick-seal mechanism by 2011
BushwickBK.com: you know?
BushwickBK.com: shit they coul have come up with something right after chernobyl
BushwickBK.com: just pop a cap on it
BushwickBK.com: made out of some strong shit
BushwickBK.com: shooting in air in benghazi
BushwickBK.com: are they under the impression they won't need that ammo?
me: they're Arabs
BushwickBK.com: lol
BushwickBK.com: Libyan rbeels have been particularly dumb
BushwickBK.com: I mean, just the brain drain alone from 42 yrs of Gadhafi
BushwickBK.com: gotta be a pretty stupid place
me: yeah
me: good point
BushwickBK.com: seen a lot of embarrassing quotes from Libyan last few ays

BushwickBK.com: like, they learned how to use guns from video gams, lol I hope this goes on a bit war is fun
BushwickBK.com: so when are they supposed to hit
BushwickBK.com: if I were G-dog I'd have bombed downtown Benghazi already
me: it's going to be a bit longer, it seems
me: but they'll hit
BushwickBK.com: fuck, another night staring at wolf blitzer's fucking jewface
me: lol
me: I'd advise changing the channel
BushwickBK.com: BBK redesign on Monday,I don't have time for Libya
